Mrs. Douglas F. Diez
Summer,
Please you,

best regards by the summer.
He is 63 years old, not old enough for me to see. He feels
the world is hard all the life, starting at age 19; now
unbearable for us. As how front trouble too.
of us have the person who would, if will be
discontinued.

We already have had our health and life insurance
fight with Hodgkin Disease.

Please help us. My husband is a student, about, about
employee. He is ill with heart problem due to his family
employees. Right with Hodgkin Disease.

Dear Sir,

Retired Salaried Employee
Delphi Thermal Operations
Douglas F. Diez

Best Regards,

I ask the court to please not accept this modified plan, but to send Delphi and its partners-GM,
the US Treasury, Platinum and the UAW, back to restructure a deal that is equitable to the "Non-
UAW" retirees, salaried retirees, and the creditors. I believe that is the responsibility of the court.

position in relationship to the US Treasury Department and Tim Geithner, who is brokering the
whole GM/Delphi Process.
